**LIBERTY PARK JOINT VENTURE, LLP BREAKS GROUND ON CANARY SQUARE**

**Vestavia Hills, Alabama** – On August 31, 2026, CS Beatty Construction began work on Canary Square, Liberty Park’s next residential development in The Bray neighborhood.

Canary Square will be located south of Livano and Filmont, the apartment communities developed by LIV Development that opened in 2025. The new neighborhood will be around the community amenity announced in August and will offer a variety of lot and home sizes.

“As demand to live in Liberty Park remains strong, we think it’s important to offer a range of housing options for homebuyers,” said James Parsons, President of Liberty Park Joint Venture, LLP. “Canary Square will provide another opportunity for families to make their home in The Bray and be part of the continued growth of the Liberty Park community.”

Development of the residential lots is expected to continue into 2027, with home construction also anticipated to begin in 2027.

**About Liberty Park**

Liberty Park is a master-planned community in Vestavia Hills, Alabama, encompassing residential neighborhoods, parks and open space, schools, commercial development, and recreational amenities. Development continues through a long-term vision focused on creating connected neighborhoods, quality public spaces, and lasting community value.
